CALLS OF NOTE

On Parsons Rd, a pair of dogs got loose from their home and ran to a neighbors home. Once there, they burrowed their way into a fenced in pasture and attacked a pair of Norwegian Dwarf goats, ultimately killing one of them. Myself and Animal Control responded and the appropriate citations were issued.

On 2/5 a small airplane made an emergency landing in a field at the corner of N. Concord Rd. and Bath Mills Rd. The owner – from Grass Lake – reported his rebuilt engine failed and he was forced to land in the field. There were no injuries and ultimately no issues, but the pilot failed to contact 911 Dispatch to at least let them know what was happening and ward off some panic. (On a side note, I inaccurately reported that same plane had gone missing in the Bermuda Triangle in 1989 and then mysteriously landed in that field. The Undersheriff reposted my link and – 10,000+ views and shares later – I'm viral. News agencies from Reno, Nevada and St. Louis contacted the department to check on the validity of the story. FAKE NEWS!

On 2/7, during icy conditions, a young man heading to Abion College took the 'S' curves a little too fast on Albion Rd. and flipped his truck. It settled alongside the road, upside down. The driver – a young man from Brooklyn – was not injured.

Through the month I worked on a case involving a 30 y/o Albion man doing handyman work for an elderly Concord Township woman. During this time he bilked her out of money and antiques. A report was completed and charges were authorized on a variety of issues. This one will be going to court.

On 2/21 I handled a DOA in the Township. An elderly female passed away in her sleep of natural causes.

February came in wonderfully with my Chiefs winning the Super Bowl! But it ended on a down note when I split a pair of work pants while getting into my patrol truck.
