J. Blossom was unable to attend as he was coaching baseball. He emailed the following: Jack Ripstra of Ripstra & Scheppelman will be attending the meeting to answer any questions on South Main St. concerns. Jack and I are meeting this morning to look over the South Main concern. The project is moving along good, paving on the south side of town should be completed by the end of the week. We are still waiting on the permit to cross the river, to complete the water main portion of the project. As far as the water in the basement at 125 South Main the property owners need to turn it in to their insurance company. We got over 4 inches of rain over the

weekend, this is not normal and most storm sewer systems are not designed to handle rain like that. Our system did take all the water away it just takes a little bit of time when we get that much rain in a short amount of time. Hope to see everyone at the Classic this weekend should be a good time!!

Council Comments:

J. Jackson inquired about the Concord Youth Association building and who was in charge of it. It was determined that J. Smith is still in charge however it is believed that he is looking for someone to take it over. He also inquired about the bands that will be playing at the Concord Classic and what type of music they play. J. Bush said he believed the majority would be classic rock and some country. J. Jackson asked what time the classic car show would be on Saturday. A. Meeks stated that the hours were from 10-2.

With no other business to discuss, it was motioned by A. Meeks, seconded by J. Bush, to adjourn at 7:33 pm. Motion approved by all.
