

Village of Concord Council Minutes

The Village Council of Concord held a special meeting on August 30, 2016 at 7:00 pm in the Village Office.

Council Members Present: Tim Casey, Jeremiah Bush, Jason Mockeridge, Kayla Bush, Mike Lovitt and Ashley Meeks.

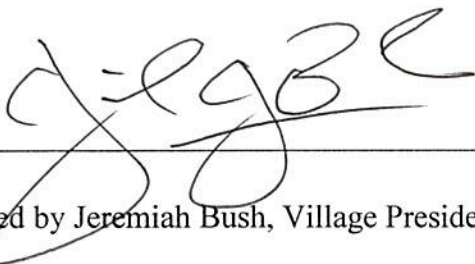

Council Members Absent: Jeff Jackson

Public Present: C. Bush, F. Bush, Village DPW Director J. Blossom.

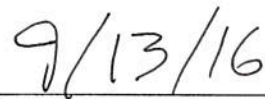

J. Bush discussed the Michigan Department of Transportation Contract the Village needs to enter into in order to complete the partially grant funded North Main Street Project consisting of hot mix asphalt cold milling and resurfacing work, including sewer installation, aggregate base, restoration and traffic control work and all together with necessary related work. As part of the process the Village has to accept the contract in a formal resolution at a public meeting. Motioned by A. Meeks, seconded by K. Bush to formally accept Resolution #83016 Contract with Michigan Department of Transportation to Repair North Main Street. Motion carried by all. Absent J. Jackson.

J. Blossom DPW Director brought a bid of \$14,014 from Concord Excavating to expand the Village's storm water sewer between Dollar General and Joer's Feed Center Mill. The project consists of adding three additional catch basins and asphalt diversion pathway to storm water sewer grates. In heavy rains water runs down the hill on N. Main St. overflows running past the current storm water catch basin floods Joer's basement. There was also concern the future trail being put in this area could be washed away as well. The project will also improve the appearance where the Village's MDNRE grant funded trail from N. Main St. to Allman Rd. will begin. Motioned by K. Bush, seconded by A. Meeks to accept the bid from Concord Excavating for expansion of the storm water system. Motion carried by all.

With no other business to discuss, it was motioned by K. Bush, seconded by A. Meeks, to adjourn at 7:33 pm. Motion approved by all.

Approved by Jeremiah Bush, Village President
