The Concord area continues to be a haven for vehicle/deer crashes with over 20 in March and April! At one point, there were 11 deer carcasses along the stretch of M-60 between Parsons Rd. and the PS Mart. These creatures have evolved to sense predators, but apparently they can't quite grasp the danger of steel machines that often weigh tons.

Now that spring is FINALLY here, I'm going to start focusing again on blight and ordinance violations.

Best April speeding story: "Well, I didn't see a speed limit sign so I thought it made more sense to drive a little faster. Then, if I get pulled over, the police officer would tell me what the speed limit really is."
