In response to some complaints about speeders on S. Main St. between the hours of 6 and 7 in the morning, I came in early two times and recorded the following numbers: the average speed registered was 29 and the fastest vehicle clocked in at 37. This is the fifth time – total – I’ve done this! There will always be crazy people driving at ludicrous speeds, but a majority of the vehicles are moving at close to posted limits.

All suspects involved in the robbery at CJ’s Party Store have been identified and arrested. The court process is underway for that.

The sheriff’s office – and all local police agencies including the State Police – are working very closely at every potential threat, social media rant or rumor regarding the violence escalating in our schools. Each report is monitored closely by the Jackson County Prosecutor’s Office to determine if charges are warranted and/or intervention is necessary.
