Why do municipal costs rise, you ask? Sometimes it's because the village has to pay a lot of money to jetting companies to clear out storm drains! The biggest culprit: GRASS CLIPPINGS!! Don't mow your grass clippings into the street as the rain washes them into the drain system and they form an unmovable blob!

Just when you think humanity as a whole couldn't get much worse, this type of story pops up. Keep a very close eye on any pet – predominantly dogs – that are valuable. Pugs, bulldogs, huskies, etc... Yep, people are snatching them. A GPS collar is a great thing to have!

Remember: Lock doors, lock vehicles, put your trail cams up, snag license plate numbers on suspicious vehicles and stay vigilant! Concord is a GREAT COMMUNITY but people are out there looking to see what they can take and how much they can sell it for!
