OFF DUTY POLICE RELATED SITUATIONS HANDLED

9 in the village and 1 in the township - 10 TOTAL

((No incident numbers are drawn for these)))

CALLS OF NOTE

12/1 - Prior to the Homer/Concord boys basketball game, there were issues involving a Homer student's disparaging social media posts about a Concord student. I attended the game as a peace officer and things went smoothly.

12/2 - I was dispatched to the area of S. Concord Rd. and Erie Rd. for some cows in the roadway. Prior to my arrival, the cows had MOOOOVED. (Get it..?)

12/4 - I assisted multiple units on the arrest of a subject in Spring Arbor who had multiple felony warrants for domestic assault and theft.

12/5 - A Concord resident was found beaten and unconscious on the south side of Jackson City by a passing motorist. After waking up in the hospital, he told the medical staff he was assaulted at the Cadet in Concord. Upon further investigation, it was determined he was NEVER at the Cadet and, no doubt, blurted that out to conceal whatever the real reason was for his pummeling.

12/6 - Fire Chief Lloyd Mosher will tell you that he delivered a baby on N. Concord Rd. at the railroad track. Don't let him fool you - as it was I who was instrumental in the birth by directing traffic in a stress-free manner, allowing the mom to relax. Also, I provided a blanket.

12/10 - Units responded to an address on Bath Mills Rd. reference a female subject making suicidal statements. She was taken to the hospital for medical attention.

12/11 - A group of three female students engaged in a large fight on an after-school bus ride from Concord to Albion. Ultimately, this was handled through the school.

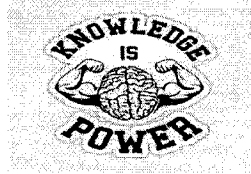

12/12 - The Schlegel Sand & Gravel yard on Mann Rd. was hit by thieves who used bolt cutters to snap locks and gain access to a couple of storage trailers. Trail cam pictures provided a pair of suspects, but very little detail for identification.

12/21 - I was dispatched to the area of Allman Rd. & M-60 for a road rage incident involving a woman and her combative and volatile ex-husband. No one was injured.

12/27 - Units handled a larceny report at the construction site at the school. That investigation continues.

For those who sometimes see me parked somewhere - a parking lot, the back of the cemetery, etc. - and assume I'm not doing anything: (Good guess, but...) All of our training courses, policy changes, tests and administrative interactions are all handled online. Many of these are time sensitive and, once started, cannot be interrupted. Chances are, THAT'S what I'm doing - although I also spend these moments to question many of my life choices.
