CALLS OF NOTE

5/2/2026: County units were dispatched to Warner Rd. in the township for a domestic situation involving a male, his girlfriend and her daughter. The male allegedly ordered his dog to attack the female, which it did, resulting in bite wounds to her back. The male subject was arrested for domestic assault and a bevy of additional charges.

5/5/2026: A township resident called 911 because he didn't like a neighbor's new ag-based side business. When told it was approved, he called the police, but refused to speak to me because, in his words, I'm an idiot. He then called the State Police, who wouldn't take up the case, either. After hearing that, he asked if there was 'an FBI agent on duty.' When told the matter was closed, he made a series of derogatory remarks and hung up.

5/8/2026: I handled an assault report involving housemates on Bath Mills Rd. in the Township.

5/13/2026: Please people – for the LOVE OF GOD! – never EVER provide money in the form of bitcoin or gift cards to ANYONE claiming to be from the sheriff's office – or any other government entity – without doing lots of verifying first. IT IS A SCAM!!! A township resident fell for this ruse and is now out \$5,000.

5/14/2026: I responded to a civil dispute among multiple family members on Behling Rd. in the Township.

5/17/2026: Units responded to the golf course on M-60 for a couple of nitwits who threatened each other over a moved golf ball. Sadly, you cannot make this stuff up and police intervention was required.

5/22/2026: I responded to the area of Albion Rd. & Schultz Rd. for a rolling verbal domestic. Ultimately – and thankfully – it kept right on rolling, into Calhoun County.

5/26/2026: Back to the earlier residence on Bath Mills Rd – this time because they weren't able to control their own dog and it became aggressive towards people in the house.

- **I awarded the Sheriff's Youth Citizenship Award to a Concord High School senior on May 14. Sadly, I opened – and closed – with a joke, and neither one generated a single laugh. My willingness to present next year's award is now seriously in doubt.**
- **Myself and a pair of Reserve Deputies attended the school's graduation ceremony. There were rumors that an agitated now-former student was planning on attending and causing a ruckus, but cooler heads prevailed, he did NOT show up, and the event was peaceful. Congratulations to our graduating seniors – now get out there and fix the world.**
- **The department has issued new firearms to deputies – these with red dot sights so that old men like myself can still find the target. A few hundred practice rounds and a swollen elbow later, I should be good to go.**

**LUDICROUS
SPEED!**

We didn't have a Ludicrous Speed winner for May, but we had something that could have been bad for any potential contenders: Cows in the roadway. Whether this was a coordinated move by the cows or not, we're not sure, but units responded to 3 different calls – at 3 different locations – for cows in the roadway, not moving for traffic. Perhaps something sinister is afoot. There is no truth to the rumor that the cows were holding signs that read: 'Eat more chikin.'
